

# TANINO *Blonde*

## Step by step

**1** Wash hair with Shampoo Step 1. Rinse hair completely and repeat the application. Hair should have a rough aspect.

*Tip: For damaged, thin and highlighted or bleached hair, one good shampoo is enough; there is no need to wait.*

**2** Using a hair dryer, dry hair 70%.

**3** Section hair and apply step 2, check if all areas are completely covered, including the back of the neck and the hairline.

*Leave the product on for the appropriate length of time depending on hair type, as listed below:*

Thin, damaged:	30 minutes
Normal texture, undamaged:	45 minutes
Thick, coarse, undamaged:	60 minutes

**4** Rinse hair thoroughly and apply a treatment mask, massage into hair, comb through and rinse.

**5** Blow-dry, divide hair into sections and iron each section 10 times. The iron should be set at:

a)	Thin, damaged, fragile	180 degrees
b)	Thick, coarse	200 degrees

**After the treatment is complete, the client can wash hair at any time.**  
**For long-lasting results we recommend the Vitaker After Care range of products.**
